MCKAY CONANT HOOVER INC
Acoustics and Media Systems Consultants

The Ak-Chin Indian Community held groundbreaking in March 2012 and opened in November 2012 for its new \$50M, 185,000sf family entertainment complex located adjacent to the Harrah's Ak-Chin Hotel/Casino. The facility, among the largest of its kind in the USA, features 12 movie theaters, a 24-lane bowling alley, a game arcade, lasertag and several bars/restaurants plus 23,000sf of retail and 45 acres of site work. The movie house portion (all digital cinema) is under the high-end *UltraStar Cinemas* brand and meets the strict *THX* criteria.

MCH provided initial AV planning design as well as full-scope acoustical consulting including noise control for the substantial new central plant.
