

2004 USITT MERIT AWARD

Spencer Theater, by architect Antoine Predock, opened in 1997 to the delight of both audiences and performers. This 514-seat multipurpose auditorium (54,000 sf) is complete with stage house, orchestra shell and pit, one balcony, and stalls around the main floor. MCH provided full scope Acoustical and Audiovisual design. The use of variable acoustics and state-of-the-art sound creates a delightful venue for a variety of performance types.
